

TRAINING FACILITIES FOR SAILING CAMPS AND SAIL EVENTS

STAY, SAIL AND TRAIN AT THE AARHUS INTERNATIONAL SAILING CENTER (DEN)

If you are looking for the perfect venue for your personal training or team training, you need to look no further - the Aarhus International Sailing Center offers you the perfect combination of state-of-art sailing facilities, direct access to the best sailing waters in the world, a world-class elite sailing community, and the cosiness and charm of the city of Aarhus.

Aarhus is well known by all sailors as the venue for the 2018 Hempel Sailing World Championships, and before this we have hosted a vast number of international sailing events, such as the Volvo Ocean Race Fly By, Nacra 17 Worlds, Laser Standard, Laser Radial and 470 Euros, 49er and 29er Worlds, M32 and WMRT Acts and many more.

The Aarhus International Sailing Center is one of only six World Sailing Approved Training Centres and is the home of the Danish National Olympic Sailing Team.

The Bay of Aarhus is the ideal sailing area for racing, with limited tidal waters, plenty of space, and winds between 2 and 25 knots, predominantly from W-SW - never too rough and rarely too little - and the mild climate and well-protected waters make it possible to sail almost all year.

Aarhus is centrally located in the middle of northern Europe and a mere 250 kilometres from Kiel. Situated in the Aarhus Ø area, the Aarhus International Sailing Center combines the isolation and tranquillity required for pre-competition training with proximity to the heart of Aarhus, with all of the city's vast range of cultural and culinary choices, vibrant nightlife and cheap Airbnb apartments. The chance of a perfect stay is huge.

The Aarhus International Sailing Center regularly hosts national and international events and training camps, so you will be able to combine your training stay with a regatta as well.

If you need any further details, please do not hesitate in contacting us.

Looking forward to hearing from you.
